# DECLARATION OF CONFORMITY

**Birding and Nature SL**, as an active tourism and ecotourism services provider, undertakes to adopt the hygiene measures recommended by the Spanish public health authorities to prevent the spread of COVID-19.

The company also undertakes to provide the required equipment for the proper development of the activity.

The client(s) undertakes to always respect the indications of the guide, in order to guarantee the health and safety of users and workers during the activity.

The client(s) who do not comply with the required health and hygiene standards listed in the protocol described in this declaration of conformity will be expelled from the activity without the right to a refund.

If any participant shows symptoms consistent with COVID-19 before the activity begins, he or she will not be allowed to participate. Instead, the client involved will receive a 50% refund from the company.

**The end user agrees with the security protocol established by Birding and Nature SL. at the time of hiring the service.**
